¹ You will earn 3% cash back for every dollar in eligible net purchases at merchants classified as gas stations, office supply stores, dining, restaurants, fast-food restaurants, bars, food delivery services and cell phone service providers. All other net purchases will earn 1% cash back. Purchases at gas stations greater than \$200 are not considered an automotive gasoline purchase and will therefore earn 1% cash back. Cash rewards can be redeemed as a deposit to a checking or savings account with this Financial Institution only, which will be deposited within seven business days, or as a statement credit to your credit card account, which will be deposited within one to two billing cycles, a Rewards Card, Real-Time Rewards or Pay with Rewards when you check out with PayPal. Cash rewards expire five years from the end of the quarter in which they are earned.

² An automatic statement credit of \$100 per 12-month period will be applied to your Business Cash Preferred Account within 2 statement billing cycles following 11 consecutive months of eligible software service purchases made directly with a software service provider. We reserve the right to adjust or reverse any portion or all of any software services credit for unauthorized purchases or transaction credits.

³ You will earn 1.5 Reward Points ("Points") for each dollar of eligible net purchases made with your Account within a billing cycle. Monthly net purchase points will be applied each billing cycle. Points expire five years from the end of the quarter in which they are earned.

⁴ Reward points can be redeemed as a cash deposit to a checking or savings account with this Financial Institution only, which will be deposited within seven business days, or as a statement credit to your credit card account, which will be deposited within one to two billing cycles or as a Rewards Card (\$25 minimum redemption).

⁵ You will earn 1 Point for every dollar in eligible net purchases charged to your Account during each billing cycle. In addition, you will earn 1 additional bonus Point (for a total of 2 Points) for every dollar in eligible net purchases in your top two highest merchant spend categories ("Highest Categories") each billing cycle. Highest Categories can change with each billing cycle, depending on your purchase behavior during a particular billing cycle. Highest Categories automatically adjust to reward you on where you spend the most. Some exclusions apply. Purchases qualify for Points based on how merchants choose to classify their business and we reserve the right to determine which purchases qualify. Points expire five years from the end of the quarter in which they are earned.

⁶ You will earn 1 Reward Point ("Point") for each dollar of eligible net purchases charged to your Account during each billing cycle. Points expire three years from the end of the quarter in which they are earned.
